Dear Mr. Tipton:

I am writing to follow up with you regarding the recent event at HireRight, Inc. ("HireRight") as a result of which an Inquiry History Report indicating which HireRight customers requested reports on you was mailed in error to another consumer.

HireRight is working with the person who received your report to obtain their written confirmation that they have destroyed your report and did not communicate any of the information in your report to any other person. Additionally, you can rest assured that your Social Security Number and Date of Birth were both masked in the report.

To help give you additional peace of mind, HireRight will pay for a year of credit monitoring so that you can monitor your credit report for key changes. Enclosed is a check in the amount of \$179.40, which will pay for a year of the Equifax ID Patrol credit monitoring service. You can sign up for this service directly with Equifax (<http://www.equifax.com/id-patrol/>).

Please know that the privacy and security of consumers' personal information is of utmost importance to HireRight, and we take incidents such as this one extremely seriously. We sincerely apologize for this incident and any inconvenience it may have caused. If you have any questions or if there is anything further we can do to assist you, please contact Dante Borghese at 1-800-331-9175 ext. 858-8127 or at the address above.

Sincerely,

A handwritten signature in black ink that reads "Dante Borghese".
